

HAWKINS ORTHODONTICS

Wooden Nickel Agreement

The Wooden Nickel Program will help patients do their best to achieve excellent orthodontic results. Earned Wooden Nickels can be used to "buy" prizes listed on the back of this page. Read each category below to learn how to earn your Wooden Nickels at each visit.*

*(Patients with Biteplates, Retainers, and Headgear are eligible to earn up to 2 Wooden Nickels at each visit, for being ON TIME, COOPERATION, and NOTHING BROKEN. This is because less maintenance is required for these patients compared to those with braces.)

PLEASE remind us if we forget to give you your wooden nickels before you leave the office. THANKS!!!

1. **ON TIME** within 3 minutes of the office clock. Emergency, repair, and retainer replacement appointments are EXCLUDED.

2. **GOOD HYGIENE for brace patients**, which means: NO puffy or bleeding gums, NO excessive food or plaque in braces, AND brushing, flossing, and using flouride regularly.

3. **GOOD COOPERATION** with headgear, bite plates, retainers, elastics, etc. You MUST wear these for required hours. Dr. Hawkins can tell if you have or have not. Your Yellow Wear Card and all removable appliances MUST be brought to your appointment to qualify.

4. **NOTHING BROKEN**. For brace patients, this means NO broken or loose brackets, bands, or archwires. So be careful!

I have read the agreement and will do my best to earn my Wooden Nickels!
